

United Women in Faith

December 31, 2024

Dear Sisters in Jesus Christ,

I remember going to the Leadership Learning Event as well as other in-person events when we were still United Methodist Women. I so enjoyed meeting women from other churches, as well as carpooling with some of the ladies from my church. The ladies I carpoled with and I would then go to a local restaurant on our way home and have a wonderful time recapping what we had learned while enjoying a meal out together.

Enclosed, please find our flyer and registration form for our **Leadership Learning Event** to be held at First United Methodist Church of Oak Lawn on Saturday, February 1, 2025 from 9 a.m. - 1:00 p.m. This event is a great way to learn more about our organization of United Women in Faith - our history, our future, local unit/district/and conference structure. This year, we will also be looking at how to increase our membership in our local units, as well as combining units with other area churches, joining an online United Women in Faith Group, etc.

Perhaps your unit is struggling or has been inactive for some time. The information you can learn at this event may help re-spark that fire within your unit to get the flame of action back within it. Maybe you don't remember your church ever having a unit - we can help you get organized. Just let us know what we can do for you at this event. That is what our District officers are for - to help guide you when you are struggling or have questions that need answers.

If you have ever wanted to know more about the specifics for each position within this organization, we will be breaking out into groups to learn more about each office available within the UW Faith structure. Many of these "titles" seem daunting, but when you take the time to find out the specific details each officer is responsible for, they really are not that scary. We even have a few offices still open at the district level this year and now is a wonderful time to see exactly what these offices entail and whether or not it might be a great fit for you (*we won't be doing any arm bending though, so don't let that keep you from joining us*).

Please do not hesitate to pose your questions or offer comments during the Q & A, or on the Evaluation Form near the end of our event. Your input and ideas are critical to the continued improvement of our programs.
